A Precious World Without Borders

By Rev. Yushi Mukojima

A couple of weeks ago when I stopped at a bookstore with my daughter, I saw a large globe. Because I hadn't seen one for a long time, I spent a long time looking at it. I was surprised all over again at how vast the American continent is. My home country, the Japanese Islands, would fit completely within the state of California where we live.

Next to the globe were some books about the Earth, so I picked one up and looked through it. I caught sight of a photograph of the Earth as seen from outer space and was stunned by its beauty. I gazed at the image intently, neglecting my daughter.

What surprised me was that the man-made borders were nowhere to be found. Unlike the globe, which showed political divisions, our planet as photographed from space has no borders.

Seeing the blue orb of the Earth floating in the darkness of the universe, we realize that borders are just foolish barriers drawn on a map reflecting our selfish values and sense of territory. Therefore, nothing is more beautiful and precious than the Earth glowing brightly, unmarked by these divisions. We must be aware of the original state of our Earth and realize how precious it would be to be alive on an Earth without borders.

As you all know, man's predecessors used to live in trees. After many years, they came down and started hunting and collecting. During that time of living in trees, there seemed to be no territorial conflicts. But when they started keeping livestock, farming, and agriculture, territorial conflict began because of possession, accumulation and defense. Since then, the history of mankind shows repeated competition and conflict over territory so that now the seeds of discord know no end all over the world.

How sad it is.

Someone once told me that when we compare humans to birds, even birds, with a strong sense of territoriality don't fight over their space as much. He said that there is a famous island in Scotland called Bass Rock, which is home to migratory birds. When the Brown Booby builds a nest there, it fights ferociously for space. But once it sits on its nest, the booby doesn't try to extend its territory beyond the limits its beak can reach. Unlike humans, these birds never compete to hold an area bigger than that of its neighbor.

Humans think hard about and decide on the national and political divisions which must be maintained to avoid the conflict caused by our lust for power and limitless desire for possessions. Yet conflict occurs again and again because of these borders.

There exist not only borders which we can see but also invisible ones as well. Of course, we have such borders in our thinking. We love a person who takes sides with us but hate a person who doesn't. Although we treasure harmony, friendship, unity and trust on our side, we tend to attack, expel, slander and block those on the other.

A Precious World Without Borders (Cont'd fr P.1)

My land will be vast and without bounds like space

There is a saying in the ***Commentary on the Discourse on Birth*** written by T'an-luan, one of Jodo Shinshu's Seven Pure Land Masters:

The reason Amida Buddha originally provided the glorious merit of vastness is that when he observed the three worlds, he found that everything there was confined and limited; that there were pits, gorges, mounds of earth and shores; that even palace buildings were too close to each other; that plots of land and fields were small; that, when wishing to proceed, roads were sometimes too narrow; mountains and rivers hindered free passage; and that countries were separated from each other by boundaries.

*Since everything was narrow and confined, Dharmakara Bodhisattva (Amida Buddha) made this vow of providing the glorious merit of vastness, resolving, "**My land will be vast and without bounds like space.**"*

Reading this wish for the boundless Buddha's Pure Land, we cannot help feeling Buddha's sorrow at human's foolishness, because we always build borders both physical and within our minds and we continue to create places where light cannot reach. Therefore, Amida Buddha established the Pure Land of Utmost Bliss to transcend the world of delusion. It is vast and without bounds. In the Shoshin-ge, Shinran Shonin expresses this vastness as "Boundless Light."

There is an interesting saying in Recorded on the ***Life of Rennyo Shonin*** where Rennyo describes the virtue of a person with Shinjin (Entrusting Heart): "A person with Shinjin would not say hurtful words to fellow Nembutsu practicers and is sure to gain a peaceful mind. This is because Amida Buddha vows that all sentient beings who have been touched by the Buddha's light will become relaxed and gentle in body and mind. Contrarily, without Shinjin, one would be wrapped up in one's own self-centeredness, speaking hurtful words that are bound to result in conflict with others."

If we attain Shinjin—the entrusting heart—our minds, shut tightly, will be opened, our complaints and discontentment turn into gratitude, and we will be able to accept and understand others. Moreover, we will be able to show the deep compassion that understands others' pain and can put ourselves in another's place. I believe that it is this mind of compassion is the way to knock down our man-made borders.

Speaking of territory, my wife complained recently that because the cold weather has continued, I have begun hogging the middle of our bed. Mika, who is forced to one corner, has been quite irritated with me every morning. She has tried over and over to get me to move to my half of the bed but while sound asleep, I won't budge!

Although when falling asleep I am careful to stay to one side, in the middle of the night I instinctively move to the warmest spot in the bed. I don't remember moving there and do not do it on purpose, but I feel really sorry for my wife. Although I hope that she won't catch a cold because of me, the battle of taking that cozy spot in the middle of the bed will undoubtedly occur again tonight.

二〇一四年二月法話

― 境のない尊い世界 ―

住職 向嶋諦史

先日、娘と本屋に立ち寄ってみると大きな地球儀がおいてありました。久しぶりに見る代物に胸が躍り、まじまじと見ていたのですが、改めてアメリカ大陸の広大さに驚かされました。私の母国、日本列島がカリフォルニア州にすっぽりと収まってしまうほどです。

その横に地球に関する本が何冊かおいてあったので、手にとってみますと、宇宙から見た地球の写真が目に留まりました。あまりの美しさに娘をそっちのけで見入っていたのですが、更に私を感動させたのは、地球上のどこにも国境線が見当たらなかったことです。当然のことですが、本当の地球は先ほどの地球儀と違ってどこにも国境がないのです。宇宙の暗闇に浮ぶ青い地球を見ることで、国境とは私達人間の勝手な価値観と必要以上の縄張り意識で地図上に線を引いた愚かな壁であることに気付かされます。ですから、国境線のない地球が何よりも光り輝いて見えてくるのです。地球本来の姿に気づき、国境を越えた真の地球人として私達一人ひとりがその尊さに目覚めなくてはなりません。

ご存知のように、私達人間の祖先は樹上に住んでいました。そして長い年月を経て、樹上から大地に降り立ち、狩猟や採集の生活を始めました。その間、縄張り争いがなかったようですが、やがて牧畜と農耕の生活に変わると、所有と蓄積、そして防衛のために縄張り争いが始まったそうです。その後の人類の歴史は、縄張りにまつわる競争と闘争の繰り返しとなり、今や世界中に争いの火種が絶えません。何とも悲しいことです。

聞いた話よると、厳重な縄張り意識を持つ鳥類でも、人間に比べると縄張りをめぐっての争いは意外に少ないそうです。その方曰く、スコットランドに渡り鳥の島で有名なバスロックという島があり、その島に住む「カツオドリ」という鳥は巣作りの際、猛烈な縄張り争いを演じるようです。しかし、一旦巣に座ると、自分のくちばしの届く範囲以上には縄張りを広げようとはしません。人間のように隣と競争して、隣の倍も縄張りを持とうとすることはないそうです。

私達人間は、限りない所有欲や権力欲が起こす縄張り争いを防ぐ為に、知恵を集めて守るべき境を定めますが、残念なことに、その定めた境が原因で、また争いを起こしてしまいます。

目に見える境だけではありません。勿論、心の中にも境を持っています。私側の者は愛し、境の向こう側の者は憎むのです。境のこちらでは、協調、友愛、結束、信頼を大切にし、向こう側に対しては、攻撃、排斥、誹謗、阻害という言葉を使います。

七高僧の一人である曇鸞大師は『往生論註』というお書物の中で「迷いの世界を見れば、まことに狭く苦しく、城址などの壊れた所、険しい谷、土の盛り上がった所、水際などがあり、また建物が狭く立て込んで、土地が狭く、行こうとしても道がつまり、山河にへだて遮られ、挙句の果てには国の境が分かれている。これほど困難なことはない。こういうわけで、法蔵菩薩(後の阿弥陀仏)は、功徳荘厳の願を興されて、わが国土は虚空の如く、広大であって際がないようにしたいと願われた」と述べられています。

広大無辺の仏国土の願いには、心の内にも外にも境を建て、光の届かない場所を作り続ける愚かな人間への悲しみが感じられます。迷いの世界を越えた極楽浄土はどこまでいっても境がなく、また際もないと示されています。この広がりを宗祖、親鸞聖人は、『正信偈』の中で「無辺光」と表されています。

蓮如上人のお言葉を集めた『御一代記聞書』というお書物の中に、「信心を得たなら、念仏の仲間に荒々しくものをいうこともなくなり、心も穏やかになります。阿弥陀仏の誓いには、光明に触れたものの身も心も和らげることがあるからです。逆に、信心がなければ、自分中心の考え方になって、言葉も荒々しくなり、争いも必ず起ってくる」と、信心に恵まれた人の徳が述べられています。信心を得ることで、私達の頑なに閉ざされた心が解かれ、不平や愚痴が感謝に変わり、互いに認め合う心、更には、相手の痛みが分かる思いやりの心を持つことができるということです。正に、その心こそが、人間同士の境をなくす唯一の道ではないでしょうか。

さて、最近、寒い日々が続くあまり、ベッドの真ん中を陣取るようになりました。片隅に追いやられる妻は毎朝機嫌がよくありません。寝ている私をどうにか向こうに追いやろうとするのですが、はなかなか動かせないようです。私も気をつけてはいるのですが、どうも意に反して体が温かいほうへと動いていってしまいます。記憶にない事とはいえ、妻が不憫に思えてなりません。風邪を引かないようにと妻を気遣いながらも、今夜もベッドの上で陣取り合戦が始まります。

A Busy Month for Boy Scout Troop #87

On Thursday January 2nd, many scouts left early for a campout at Pico Blanco. We learned many skills to complete our Cooking and Camping Merit Badges, as well as rank advancements. We returned on the 4th after an exciting campout!

During the troop meeting on January 15th, the younger scouts took part in an advancement meeting, where scouts can complete requirements for their next rank. On the 18h and 19th, many scouts went on a two-day campout at Laguna Seca. Finally, at the January 22nd meeting, scouts can earn the Skiing Merit Badge!

On the last Saturday of January, the troop will go to iFly, an indoor skydiving facility. The last scout meeting of the month, on January 29th, will be marshmallow games, where scouts will be shoot marshmallows as far as they can.

Looking ahead to February, there will be a Merit Badge Midway on the 1st. Also, on the 9th, most of the scouts in Troop 87 will be going to the temple service for Scout Sunday. There is also a ski trip planned for the weekend of the 15th and 16th.

FDSTL Conference

Volunteers Needed

Dharma School to Host FDSTL Annual Conference 4/26

Once again, **Happy New Year**!

I hope I don't sound like a broken record by now, but wanted to remind you about a very important event coming up for our Dharma School.

MVBT and the Coast District are hosting this year's **Federation of Dharma School Teachers League Annual Conference** here at MVBT! This is a very big event, and we are all needed to do our part to help out.

The conference date is Saturday, April 26th. We all have many obligations and are exhausted from work, kids, and just life in general.

But our teachers and all BC teachers volunteer their time every Sunday (and more) to our children.

Let's recognize their effort with one day of effort of our own to give back to them. **Let's do what we can to make this conference a success!**

Opportunities for various ways to help out will be coming soon. In the meantime, please reserve that weekend for us.

Thank you and Gassho for your time and commitment to our Dharma School!
